President's Message

What a program in January! It sure made me realize how vulnerable we are and how lax I personally have been in using my credit cards and carrying my social security card with me. This was a timely and very thought provoking program.

February promises to be another good program. Being heart healthy is important to each and every one of us.

Our Committees have been working hard. We have received some very good notice in the local newspaper. Membership is outdoing themselves. We will be welcoming a couple of new representatives and several new members at our upcoming meeting. Programs have been great and we look for more of the same. Our ASIST Committee is on their way to finalizing their selection process of our ASIST winners and program. Success of our Committees and Board just doesn't happen. Your help is needed! If you have ideas for dynamite programs, potential new members, and suggestions on what we should be doing (or not doing), be sure to share your ideas with a Committee Chair or with a Board Member. Better yet, plan on attending a future Board Meeting. You are the organization, and we need to be sure you, our member, is getting what they expect out of our Chapter activities.

Thank you for your involvement in the EWI Pomona Valley Chapter. I look forward to seeing you at the February meeting.

Verlene Riddle
Pomona Valley Chapter President
2003-2004
