**Happy New Year!** It seems the year has started with a bang for everyone. It is hoped it will mean a great prosperous New Year for everyone.

All of our Committees are working very hard to bring us a year full of interesting programs, providing us with new potential members, making our ASIST program a reality, and giving us many ways to learn, grow, and have some fun along the way.

As you know, membership renewals have been sent out. We have to have all monies turned into International by mid-February. Don't let this slide. Please return your membership dues as soon as possible.

Don't miss the January 22 meeting at the Upland Hills Country Club. Our speaker, Officer Lydak of the Upland

**PRESIDENT'S MESSAGE, CONTINUED:**

Police Department will be speaking on "Identity Theft." This is information that each and every one of us needs to be aware so we can protect ourselves in this technical world.

Have you ever considered doing a firm night? This is a major way to promote your firm to our members and their guests. It's really easy. Call Jill Fox, R & Pest Services, and check available dates that are open for a firm night. Jill can provide you with an outline of the responsibilities of hosting a firm night.

Be sure to mark your calendar for the EWI Spring Conferences and LCAM – Dallas Spring Conference – April 22-24, 2004; Portland, Oregon Spring Conference – May 20-22, 2004; ICAM & AOL – New Orleans on September 23-25, 2004.

No matter how busy we are, don't forget to take a moment and thank our maker for all of wonderful things we have in our life.

See you on January 22.
